Mr. Kane: It has been brought to my attention that Town of Fulton accounts (attached) were inadvertently left off the previous list I emailed you on September 13, 2023.

Mr. Kane: If utility customers signed the confidentiality statement when they began service with the City, then the City does not release their names and such, so we cannot release that information to you.

Teresa the list you provided me of the out of city water and sewer utility is missing names. For instance my mom, sister and brother that we know of. All three of them are utility customers of the city of Rockport and live in Fulton or the county. Mary Clare Kane, Kathy Kane and Pat Kane. We need to have an accurate list and I know all my family is missing. The PUC requires us to verify qualified customers to sign the petition and we need to count them to determine the 10% required by the PUC. Also if you send a new list can in come in a spreadsheet vs a PDF please. Very hard to break that data back into a spreadsheet.
